**Eisenhower's birth to be celebrated**  
Rep. Bruce Smith said today that plans are in place for the celebration of the centennial of the birth of Dwight D. Eisenhower.

Born October 14, 1889 in Abilene, Kansas, Eisenhower graduated from West Point in 1915 and went on to command Allied troops in Europe from 1943 through the end of World War II.

In 1952 he was the national Republican candidate for president and was elected in 1956.

Eisenhower spent World War I commanding the Army's tank corps at Camp Colt in Gettysburg. In 1950, fondly recalling Camp Colt days, he purchased a small dairy farm near the Gettysburg Battlefield.

The farm was the site of important official visits by many heads of state including Soviet Premier Nikita Khrushchev, British Prime Minister Sir Winston Churchill and French President Charles DeGaulle.

Smith said that during October there will be an exhibition of Eisenhower papers in the Eisenhower Library on the campus of Gettysburg College. From Oct. 10-30, the college's Schuster Hall Gallery will host the Dwight D. Eisenhower art exhibit.

Activities on Cemetery Day, Sunday, Oct. 14 include a concert and an address by D. David Eisenhower II.

In addition to events in Gettysburg, plans are being made for a joint session of the Legislature honoring Eisenhower in late September or early October.

He said additional information may be obtained by contacting the Eisenhower Centennial Commission at P.O. Box 210, Main Capitol Building, Harrisburg, Pa. 17120-0210. The telephone number is 717-753-8320.

## School Update

by Chris Phebe

NHS was certainly more mellow and serene this past week. It seems hard to believe that the actual school year has started and the euphoria of being somewhat more off. Everyone now remembers that school is not their favorite place to be.

This week Autumn officially began. It acts like the start of Autumn signals the teachers to start the "Report Season."

This came back in focus for me this past week, while covering the Northern Field Hockey Team, born in the snow!

Tuesday (9/18), Northern traveled to West Perry to engage the Lady Mustangs. It has been Northern had a chance to score and pull off a major upset. They came into this game with Northern without a win within the Division. That fact was soon wiped out, as the Lady Mustangs scored two first half goals and made them stand up for a 2-0 decision.

It was not a particularly good effort on the part of the Northern team. Forced to play most of the game in their own end of the field, the Lady Bears just couldn't generate much offense at all. A great deal of credit for that must go to the Lady Mustangs for the way they would "mark-up" the Northern players. That means that they play very closely and aggressively not giving their opponents room to move. The Lady Bears also saw the defense be somewhat back in their effort too. Generally this was a contest in which West Perry showed that their basic skills are more advanced than Northern's.

On Thursday (9/20), the Lady Bears played host to Division leading Big Spring. It was quite a game! Northern played a superb game. As a matter of fact, it is quite easy to say that the Lady Bears played much better than their opponents.

Some parents help because it gives them the feeling of being in school again, come to be because they're interested in the subject, and other parents just do it for nothing better to do.

Something a bit more pleasant for students in the "Honors Pass" an "Honors Pass" gives a student with an 85% or better grade average a chance for some freedom.

The pass allows students to spend their study hall time in the lobby or even outside. It relieves the monotony of sitting in a study hall bound to death.

Any student at NHS will tell you that with no one to talk to, it is possibly the most awful feeling one can experience.

Before I forget, Homecoming is next weekend. The Homecoming football game on Friday, October 5, pit our Bears against the Middletown Mustangs. Saturday, October 6, is Northern's annual Homecoming dance. Dress in semi-formal and a die jacket will spin records for the emergency.

Homecoming weekend usually brings out the best in college freshmen who just need an excuse to come home. Just kidding.

It's really great to see everyone from the previous few years' senior classes. If you long to see old pals, this Homecoming weekend is for you.

**Lady Polar Bears up and down**  
By John Middelkuff

Someone once asked me what I considered the most fascinating aspect of High School athletics. My reply then is now is really simple. The predictable unpredictability of the unknown.

It is true, on one day they can raise you to great heights, and on the very same day push you down to depths of despair.

This came back in focus for me this past week, while covering the Northern Field Hockey Team, born in the snow!

Northern played Division leading Big Spring to a 1-1 tie last week in a game that went into a sudden death overtime.

The entire second half was a well played contest, and it was up and back but neither team could score. In overtime, Northern was able to hold them off. Late in the game, Northern had a chance to score and pull off a major upset. But a slight hesitation inside the circle, in front of the Big Spring goal, caused that attempt to be checked. Final Northern 1, Big Spring 1. So from the depths against West Perry to the heights against Big Spring, Northern Field Hockey was not another roller coaster ride.

Friday (9/21), the girls hosted Mechanicsburg and fell to the "Northern jinx." It seems that Northern's teams.

particularity the girls have had a great deal of trouble playing back to back games on consecutive days. Against the Lady Wildcats, it was no contest as Northern fell 3-1. But against the girls, it was a tough but unpredictable struggle. Northern was able to hold them off. Late in the game, Northern had a chance to score and pull off a major upset.
